PROFESSIONAL EXPERIENCES

2021 - present Postdoctoral associate, Department of Special Education & Communication Disorders
University of Nebraska-Lincoln

EDUCATION

2020 Ph.D., Developmental Psychology
University of Nebraska-Lincoln

2014 M.EDU., Psychology
Soochow University

2011 B.S., Psychology
Soochow University

FELLOWSHIPS & AWARDS

Buffett Institute Graduate Fellowship The Buffett Early Childhood Institute
Warden Research Fellowship University of Nebraska-Lincoln
RAC/Warden Travel Award University of Nebraska-Lincoln
Outstanding Graduate Award Soochow University

PUBLICATIONS

Wu, Y., & Schutte, A. R. (2020). Test of a relationship between spatial working memory and perception of symmetry axes in 3- to 6-year olds. *Spatial Cognition and Computation*, 20(2), 104-133. doi: 10.1080/13875868.2020.1731515

Wu, Y., & Schutte, A. R. (*under review*). Attention mediates the relationship between parenting and working memory in early development.

Wu, Y., & Schutte, A. R. (*under review*). The relationship between parenting, attention and verbal and spatial working memory in early childhood.

Schutte, A. R. & Wu, Y. (*under revision*). Head injury is associated with subtle spatial memory impairment in adults.

Wu, Y., Jaccoby, M., & Schutte, A.R (*in preparation*). The association between cognitive control and spatial working memory in adults.

CONFERENCE PRESENTATIONS

Wu, Y. & Schutte, A. R. (2021, April). *Attentional shifting mediates the relationship between parenting and working memor.* Paper to be presented at the Society of Research in Child Development biennial meeting (virtually).

- Wu, Y. & Schutte, A. R. (2021, April). *Parenting, attention and verbal and spatial working memory in early childhood*. Poster to presented at the Society of Research in Child Development biennial meeting (virtually).
- Wu, Y. & Schutte, A. R. (2021, June). *Parenting, attention and working memory in early childhood*. Paper to be presented at the 50th Annual Meeting of The Jean Piaget Society (virtually).
- Wu, Y. & Schutte, A. R. (2019, October). *Age of traumatic brain injury (TBI) is associated with spatial memory impairments*. Poster presented at the Cognitive Development Society Conference, Louisville, KY.
- Wu, Y. & Schutte, A. R. (2018, October). *Developmental changes in unfocused play and the relationship with maternal sensitivity in early childhood*. Paper presented at the SRCD Conference on the Use of Secondary and Open Source Data, Phoenix, AZ.
- Wu, Y. & Schutte, A. R. (2017, April). *A relationship between spatial memory biases and perception of symmetry axes in early childhood*. Poster presented at the Society of Research in Child Development biennial conference, Austin, TX.

TEACHING EXPERIENCES

Instructor, PSYC 289: Developmental Psychology
University of Nebraska-Lincoln

Teaching Assistant, PSYC 289: Developmental Psychology
University of Nebraska-Lincoln

Teaching Assistant, PSY 948: Structural Equation Modeling in the Behavior Sciences
University of Nebraska-Lincoln

Statistical Consultant, Department of Psychology
University of Nebraska-Lincoln

Instructor, PSY 350: Research Methods and Analysis
University of Nebraska-Lincoln

SERVICE ACTIVITIES

2018-2020 Treasurer, Graduate Association Assembly
University of Nebraska-Lincoln

2016 Presenter, Sunday with a scientist
Nebraska State Museum

PROFESSIONAL MEMBERSHIPS

American Psychological Association
Cognitive Development Society
Jean Piaget Society
Society for Research in Child Development
